

# EDUGATE NEWS

August, 2017

Edition 7, Volume 7

## THE HIGHLIGHTS

- Students' Practicals/ Teaching practice.
- Second term exams
- End of the second term

### Introduction:

The month of August has not been a very busy month as we had students on holidays for three weeks. This gave much time to trainers to prepare and plan for the third term.

### Second Term Examinations:

It has been an exciting time as all twentythree students sat for their second term examinations on the second week of August.

Students were all able to write examinations with eager, confidence and commitment. Practical marks for the second term will appear in end of term two transcripts. Almost all students did well in their examination and only a few did not make it in one or two courses. They will be given a chance to write Supplementary exams in September.

### Second term Holidays:

The last exam paper was on the 11<sup>th</sup> of August and it marked the end of second term as students went for holidays on this date. As they all have been away for the month of August, Trainers had a wonderful time and participated positively in all activities that will hence improve and help students when they come back for the third term. This included planning, marking exam sheets, amending timetables and schedules for the remaining time of the year.

### Early Childhood Care Development Workshop

The Head of Trainers also participated in a two weeks training at the University of Swaziland which was scheduled for all ECCD Institutions in Swaziland. This was a good time of networking and advertising the work that EduGate does. Sending a representative from EduGate to this training has also made EduGate to be in the University of Swaziland's contact list for consultation and any ECCD information. We hope and pray this will help with the registration process as well.

## **End of the Second Term**

Term two ended on the 11<sup>th</sup> of August 2017. We give all glory and honour to God for being with students and EduGate team up to this point. Students will be coming back for the last term on the 10<sup>th</sup> of September 2017.
